Singing for Pleasure 1st and 3rd Friday at 2pm

The new Singing-For-Pleasure group has met for two sessions at time of writing this. It has been mostly well received from feedbacks. We observed and learned that some members like the more technical Classical/Choral/Hymn pieces accompanied by the keyboard/piano, while many others like the easy-listening and easier to sing pop and folk oldies accompanied by the acoustic guitar. We will ensure there're always something for everyone in every session.

Thanks to Ann for helping to recruit and organise the rota of making tea/coffee during break time. This has run very efficiently. We are still working on ensuring a piano accompanist to be available in every session, meaning we need a backup (or even two). A lot of time has spent on preparing, copying and stapling the music sheets. I hope members will take care of them and bring with them to every session, as those sheets will be re-used with those songs to be sung again in future sessions.

This Singing group currently has 50+ names on the list, with 30+ attendance at each session so far. There will always be some enthusiastic members who can't turn up due to domestic or a variety of reasons. Some drop-outs are expected in time, but hopefully new members will join in the future. We think 30+ is a good number in every session, of course more the better. So, thanks in advance to those who would keep it that way. As a reminder, the Singing-For-Pleasure group meets every first and third Fridays of each month (except August of course) . Look forward to seeing many of you again at the next Friday session.

Badminton. The inaugural meeting will be on June 5th at Sale Leisure Centre 10am.
