April 2026

Welcome to the April 2026 Newsletter

I hope everyone is now enjoying the lighter nights and longer days, which makes us all feel better. It is pleasing to report that our membership numbers continue to increase and most groups are active and thriving. The new Tai Chi Group held its first meeting in early April and is proving to be popular.

Just a reminder that the Community Centre will be closed for u3a activities on Thursday 7th May as it is used as a Polling Station during the local elections that day. Only persons connected with the election process will be allowed to enter the building.

Chair,
Carole Barley

Friday Talks and Film Shows

Our general meetings are always popular. Most months we have a film on the second Friday and a talk on the fourth Friday.

On 8th May our film will be "How Green Was My Valley". The film is about the lives and struggles of the Morgans, a mining family in late Victorian South Wales.

Our talk on 22nd May will be "Through the Eyes of a Magician" by Pete Turner. In Through the Eyes of a Magician, audiences are introduced to a world of mystery and wonder, guided by an experienced magician who reveals the science behind perception. Through interactive demonstrations, discover how the mind can be tricked into seeing things that aren't actually there. You'll learn about the psychological techniques and mind games used by magicians to make the impossible seem real, inviting you to question what you believe you see.
